

LIGHTHOUSE RESCUE MISSION

IMPACT REPORT December 2020

.....

HOUSING

More Safe Places to Sleep - We are growing again!

Having a safe place to sleep or a place to call home is a key tenant of ministering to people. As recovery occurs there is a TREMENDOUS difficulty to overcome. Safety and peace comes from a home. We need more homes and are growing. Due to the hard work of the staff at the Lighthouse, we are adding more safe places in January. More to follow as they come online! STAY TUNED, we couldn't do this without you!

Our crew working on the new Thrift Store.

POSITIVE, PURPOSEFUL ACTIVITIES

Positive things to do during the day!

The Lighthouse Rescue Mission Thrift (known as Collette's Closet) has a new location. Please visit our new store located at 99 W. Inyo beginning January 1, 2021.

Everything you need will be in one location, drop off donated items and shop, all at the same place. We moved so we have more space to expand, add a recycling center, and processing all on the same grounds. It is walking distance from the shelter for our clients to work. Proceeds from the Thrift Store benefit the daily activities of the Lighthouse Rescue Mission, please come by and say hi.

PEER-SUPPORT COMMUNITY

Community changes community!

All of us have family or friends who we can turn to for guidance and encouragement. At Kings Gospel Mission, homeless men and women can gather and work through the daily issues and concerns. At the same time, they are creating friends and providing support to one another. Take a moment to learn how creating courtyard communities really enhances these relationships.
